July 26, 2019

#### **Dun & Bradstreet started operations in Pakistan**

Dun & Bradstreet (D&B) delivers the world's most comprehensive business data and analytical insights. Their international network delivers reliable and accessible information that is updated 5 million times a day on more than 300 million company records. For more than 178 years, they have been delivering business, credit, compliance, receivables and marketing information, starting in the US but today spanning 240 countries including Pakistan.

Recently, they have started their operations in Pakistan and following are some major areas of their global expertise which they have planned to develop in Pakistani market:

- Company information reports – You can get report on your foreign beneficiaries to check their strength and also can evaluate yourself to showcase your strength in international markets.
- DUN Registry – A unique D&B identity which can be used as identity in international market.
- Credit Information Bureau services
- SME Rating agency
- Access of Corporate Global Databases for Pakistani business communities.
- Vendor management solution.
- AML Compliances services.
- Country insight reports .... And many more.

Their services are beneficial for importers and exporters to assess existing and potential buyers and suppliers from international market and help them to further expand their business globally.

Interested member concerns may contact their Business Development Manager for Pakistan, Mr. Muhammad Irfan Ghaffar for details on his Cell: 0321-9225230, Tel: +92 3 1111 DB-PAK (32725), email: [Ghaffari@dnbpk.com](mailto:Ghaffari@dnbpk.com) or visit their website: [www.dnbpk.com](http://www.dnbpk.com).
